

TECHNICAL DATA SHEET

Flexible PVC step nosing, with anti-slip grooves, suitable especially for nurseries, schools, hospitals, nursing homes, gyms, etc. (Art. 1990)

Classification

Typology	Edging step
----------	-------------

Technical features

Total thickness	EN 24346	2,5 mm
Weight	EN 23997	225 g/m
Application	Step covering	

Performance

Light resistance	ISO 105-B02	> 7
Resistance to chemicals	Good resistance to acids and diluted alkalis	

Sustainability

REACH regulation	Does not contain SVHC substances
Recyclability	100% recyclable

Format and dimensions

Bars	50 x 40 mm x 4 m
